25 YEARS OF VISION, GROWTH & LEGACY

Dear Partners, School Heads, and Faculty Members,

This edition of The Post marks a milestone unlike any other: 25 Years of 'THE EDUCATORS'. Established in 2002, we have grown into one of Pakistan's largest school networks, with a presence in 275+ cities across all federating units of Pakistan and an alumni community that extends across the world. As we celebrate our Silver Jubilee, we celebrate not only our scale, but the generations of students, educators and partners who have shaped this journey.

Our growth has never been about numbers alone. A defining strength of 'THE EDUCATORS' has been our ability to continuously reinvent and evolve. As education has transformed over the past two and a half decades, we have evolved with it, strengthening and enriching the way we operate, support our schools and prepare our students to be future-ready.

An important part of this evolution has been our belief in inclusive decision-making. Our Network Associates are at the heart of our schools, interacting closely with students, parents, teachers and communities. Their perspective is therefore essential to how we move forward. Through our Way Forward and Pre-Way Forward Meetings, we have created platforms for direct dialogue, enabling us to listen, exchange ideas and incorporate your feedback into our policies and decisions.

As our network has grown, we have continued to strengthen our systems and standardise processes. Clearer SOPs, greater transparency and initiatives such as the School Transformation Plan have helped translate evaluation and assessment into practical improvement, while ensuring greater consistency and quality across the network.

At the heart of our journey remains academic excellence, but our understanding of excellence has evolved. Education today goes beyond academic performance. Our interventions, competitions and learning experiences are designed to develop 21st century skills, enabling students to think critically, communicate, collaborate, create and adapt. Our academic results continue to reflect this pursuit of excellence. In recent years, 'THE EDUCATORS' has consistently secured top positions across Secondary Boards, with six Board positions last year and another six this year. This year holds particular significance as Amina Mahboob of Sir Syed Campus, Pattoki, secured the Overall 1st Position in the Lahore Board and 1st Position across Pakistan, with an exceptional score of 1192/1200 marks in the Matriculation Result 2026. Her achievement was also recognised by the Chief Minister of Punjab, making it an especially proud moment in our 25-year journey.

As technology and Artificial Intelligence reshape education, we are progressively integrating technology and AI into our academic deliverables. Teacher development has also evolved from generic training to subject-specific and self-paced learning, with more than **900** onsite and online sessions, providing over **3,300** hours of professional learning to more than **46,000 participants** this year. Through TEC, we continue to connect with and recognise our teachers, whose role remains pivotal to everything we achieve. Our partnership with KDSP further reflects our commitment to inclusive education and learning environments that recognise and support diverse student needs.

Our approach to Marketing has evolved alongside changing trends, finding new and relevant ways to connect with our audiences and strengthen their connection with the brand. This year, "25 Years of Nation Building" takes our legacy across the country. From "**I LOVE THE EDUCATORS**" to "**I AM THE EDUCATOR**. **WE ARE THE EDUCATORS**," our communication reflects the deeper sense of belonging we have built with our community.

Twenty-five years have also given us an incredible alumni community. Seeing our former students making their mark as professionals, doctors, engineers, entrepreneurs and leaders is a source of immense pride. Through TEAL – THE EDUCATORS Alumni Legacy, we are reconnecting with this community, celebrating their journeys and creating opportunities for connection, mentorship and shared success.

Our responsibility extends beyond our schools. Through CSR initiatives across Pakistan, we continue to collaborate with not-for-profit organisations working in education, extending the impact of our efforts to communities beyond our network.

As I reflect on this journey, I express my sincere gratitude to our Network Associates, School Heads and teachers. Your ownership and alignment with our vision have been instrumental in turning ideas into action. Over the years, we have also sought to recognise the contribution of our Network Associates through initiatives including local and international trips, celebrating the partnership that has helped us grow together.

I would also like to acknowledge every individual who has been part of 'THE EDUCATORS' over the past 25 years. To our current Head Office and Regional teams across Academics, Marketing, Business Development, Quality Assurance, HR, Finance and Business Intelligence, my sincere appreciation for your dedication and for consistently going the extra mile. What we have achieved is the result of a collective effort.

Twenty-five years have given us a strong foundation, but there is still much more to accomplish. As we begin our next chapter, I look forward to continuing this journey together with the same zeal, commitment and shared sense of purpose as we evolve, strengthen our network and shape generations to come.

Here's to many more years of learning, growth and nation building together.

Sincerely,

Ali Raza

ALI RAZA

GROUP DIRECTOR

AYYAZ ALI KHAN

HEAD OF BUSINESS DEVELOPMENT & OPERATIONS

Dear Partners, School Heads, and Faculty Members,

As 'THE EDUCATORS' celebrates **25 years**, one of our greatest achievements is the strength of the network we have built across Pakistan. Today, with more than **1,000 campuses** across **275+ cities**, our presence represents years of consistent effort, strong partnerships and the trust that families continue to place in 'THE EDUCATORS'.

Having been part of this organisation for the past 12 years, I have witnessed our network grow and evolve. For us, growth has never simply been about increasing the number of campuses. The real challenge, and achievement, has been to grow at scale while maintaining the quality, consistency and standards that define 'THE EDUCATORS'.

Our campuses are at the heart of this success. They are where our brand comes to life every day through our students, teachers, school leadership and Network Associates. As the network has expanded, we have worked continuously to create greater uniformity across our campuses, strengthen academic delivery and ensure that the experience associated with 'THE EDUCATORS' continues to improve. This has meant evolving our academic frameworks, investing in teacher development, integrating technology, responding to the changing expectations of students and parents, and keeping pace with the educational challenges.

The achievements of our students are a strong reflection of these efforts. **In 2026, students from 'THE EDUCATORS' secured an outstanding 6 Board Positions across Pakistan, demonstrating the academic strength and consistency of our network**. Among these achievements, **Amina Mehboob of Sir Syed Campus, Pattoki**, emerged as the **Pakistan Topper** with an exceptional **1,192/1,200 marks,** securing 1st Position in the Lahore Board and Overall Punjab. These accomplishments are a source of immense pride for our entire network and reflect the collective efforts of our students, teachers, school leadership and Network Associates. More importantly, they reinforce our commitment to maintaining and continuously strengthening academic standards across 'THE EDUCATORS' campuses nationwide.

The scale and strength of 'THE EDUCATORS' would not have been possible without our Network Associates. Over the years, they have invested not only in campuses, but in the vision and values of 'THE EDUCATORS'. Their commitment to maintaining standards, strengthening their schools and serving their communities has been fundamental to our growth. I sincerely thank our Network Associates for their trust, resilience and continued partnership throughout this journey.

Reaching **25 years** is a significant achievement, but maintaining success over 25 years requires constant evolution. Education has changed considerably, and we have continued to evolve with it. As we move forward, our priority is to further strengthen our campuses, improve quality and consistency, support our Network Associates and ensure that growth never comes at the expense of the standards we have worked so hard to establish.

I am proud to have spent 12 years contributing to this 25-year journey and look forward to seeing 'THE EDUCATORS' continue to grow stronger in the years ahead.

Warm Regards,
Ayyaz Ali Khan

FAUZIA ADNAN

HEAD OF ACADEMICS

Dear Partners, School Heads, and Faculty Members,

As we celebrate **25 remarkable years of 'THE EDUCATORS'**, I am filled with immense pride and gratitude for the incredible journey we all have shared together. This milestone is more than an anniversary it is a celebration of a legacy built on trust, collaboration and an unwavering commitment to providing quality education to generations of learners. To every partner, school leader, teacher, parent and member of our academic community, thank you for being an integral part of this remarkable legacy. Your dedication has shaped not only our network but also the lives of thousands of young people across Pakistan.

As we reflect on another year of growth, I am reminded **that meaningful progress in education is never achieved alone**. It is the collective passion, resilience and commitment of our academic community that continues to **inspire innovation and excellence across every Educators campus.**

This year has reaffirmed our belief that educational excellence begins with strong foundations while keeping our sights firmly set on the future. I am delighted by the overwhelmingly positive response our newly introduced English and Urdu curriculum resources have received through our NWAs. Encouraged by this success, we are now embarking on an exciting journey to reimagine our Early Years programme, ensuring that our youngest learners benefit from engaging, developmentally appropriate and future-focused learning experiences.

Our academic journey this year has also been marked by remarkable student achievement across the Secondary Boards. Following six Board positions secured last year, our schools achieved a further six positions this year. **Amina Mahboob of Sir Syed Campus, Pattoki** recorded the **highest score among Pakistan's Matriculation Boards this year**, securing **1st Position across Pakistan** as well as **Overall 1st Position in the Lahore Board**, with an exceptional **1,192 out of 1,200** marks in the 2026 Matriculation examinations. Her achievement reflects her dedication and the collective efforts of her teachers and the Sir Syed Campus team.

At the heart of every successful school is an empowered teacher. Our commitment to professional learning continues to grow stronger through **TEC I, II, and III**, which have become a hallmark of academic excellence within our network. Together, these conferences have provided learning opportunities to educators, fostering collaboration, innovation and the sharing of best practices. Beyond TEC, our commitment to continuous professional development has enabled us to conduct **972 onsite and online training sessions**, reaching **46,077 participants** through **3,338 hours of professional learning**. As we prepare for TEC IV, we remain steadfast in our belief that investing in teachers is one of the most powerful investments we can make in our students.

Our journey towards future-ready education has also been strengthened through purposeful innovation. The remarkable growth of **Matific** (an AI adaptive learning platform) from fewer than 100 users to over **600** reflects the confidence our schools place in technology that enhances learning and simplifies academic processes. The introduction of **Amira**, our AI powered reading platform, marks another significant step towards improving literacy through personalised learning, while our affordable technology integrations continue to make digital innovation accessible across our network.

Equally important is our commitment to ensuring that every learner feels seen, supported and valued. Our partnership with **KDSP** reinforces our vision of creating more inclusive learning environments, while the continued success of our School Transformation Plan demonstrates how focused support, data-driven decision-making and collaborative leadership can create lasting improvement in our schools**.**

As we look towards the future, we recognise that artificial intelligence is reshaping education and the world of work in profound ways. Our responsibility, therefore, extends beyond academic achievement. We must prepare students not only with knowledge but also with the creativity, critical thinking, adaptability, ethical values and collaborative skills that will enable them to thrive in a world where technology and humanity work hand in hand. **While careers and industries will continue to evolve, our mission remains unchanged to develop confident, compassionate and future-ready learners who are prepared to embrace opportunities that have yet to emerge**.

As we embark on the next chapter of The Educators' journey, we do so with renewed purpose and optimism. Together, we will continue strengthening our foundations, empowering our teachers, embracing meaningful innovation, and ensuring that every child receives an education that prepares them not only for examinations, but for life.

Thank you for being part of our 25-year legacy. Together, let us continue building the future one learner, one teacher and one school at a time.

Warm Regards,
Fauzia Adnan

MEHWISH KHAN

HEAD OF MARKETING

Every Great Story Begins with People.

This year is all about us. It has been filled with energy, fresh ideas, meaningful connections, honest conversations and exciting change. As we move closer to our Silver Jubilee and celebrate **25 Years of Nation Building**, one thing has become clear: we are not only celebrating our journey, we are preparing for the future.

This campaign marks the beginning of our next chapter, a journey shaped by people, inspired by purpose and driven by progress. It is the story of a brand shaped by its people and driven by a shared purpose. Every campus, every classroom and every success story reflects the commitment of our franchise partners, campus heads, teachers, support staff, students, parents and alumni. Together, we have built more than an education network. We have helped build a nation. And while we proudly celebrate our legacy, our greatest responsibility is the future we continue to shape.

Great brands are built by people, and that means YOU. As a marketer, my role is simply to bring your stories to life, celebrating the passion, purpose and impact that makes 'THE EDUCATORS' so special. Every smile in a classroom, every parent who places their trust in us, every teacher who inspires and every campus that proudly carries 'THE EDUCATORS' name, strengthens our brand in ways no advertisement ever could.

The real magic of this campaign will happen where our brand comes to life: inside our campuses. Through celebrations, classroom activities, student voices, parent engagement and stories shared across our social platforms, every campus will help tell our story.

Now imagine the impact when more than 250,000 students across the country, together with their families, educators, franchise partners and alumni, celebrate one shared legacy of 25 years of trust, quality and nation building. That is more than just a campaign celebration. It is a movement.

For years, our communities proudly said, "**I LOVE THE EDUCATORS**." As we begin our next chapter, that admiration becomes something even more meaningful: "**I AM THE EDUCATOR**. **WE ARE THE EDUCATORS**."

This is more than a tagline. It is our shared identity, a reflection of the pride, ownership and belonging that unite us all. Our brand is not defined by buildings or campaigns, but by the people who bring it to life every day.

On a personal note, I am incredibly proud to be part of this journey and this remarkable brand. Few opportunities allow you to work with a purpose that truly shapes lives and contributes to nation building. For me, that is both a privilege and an inspiration.

This campaign is an invitation, not just to celebrate 25 years, but to own what we have built together. So, let's own it together.

My name is Mehwish Khan. **I AM THE EDUCATOR**. Now, let's all say it with pride: **WE ARE THE EDUCATORS.**

Because together, we don't just build a brand, we build the future.

Warm regards,
Mehwish Khan

HEAD OFFICE INTERVENTIONS

حروفِ تہجی گیت

(EARLY YEARS)

"حروفِ تہجی گیت" was introduced as an engaging educational initiative to strengthen Urdu language learning among young learners. Through colourful visuals, simple words and interactive music, the songs helped children improve pronunciation, vocabulary and letter recognition while making language learning enjoyable, creative and more meaningful within the classroom environment.

WIZARDS OF CODING

(EARLY YEARS)

Wizards of Coding engaged approximately 3,500 students across 70 campuses in Scratch-based coding activities. The initiative received 194 regional submissions, with 15 outstanding projects shortlisted for national evaluation. Students demonstrated creativity, computational thinking and problem-solving skills, making coding an engaging learning experience while strengthening future digital competencies.

STAGE STARS

(EARLY YEARS)

A Performing Art Competition for Early Years was successfully piloted in the South Region, engaging approximately 100 students from 6 campuses. The initiative encouraged creativity, communication and self-expression while helping young learners build confidence and overcome stage fear. Following its successful pilot, the competition is set to expand nationwide in 2026.

WORD SPLASH

(EARLY YEARS)

Word Splash was implemented as a language enrichment intervention engaging more than 6,000 learners across five regions in 2025. For the 2026-27 session, participation has exceeded 10,000 Kindergarten learners. The initiative strengthened vocabulary, phonics and sentence construction while promoting creativity, confidence and critical thinking through interactive language learning experiences.

INTER-REGIONAL CLASS PROJECT COMPETITION

(PRIMARY)

For over a decade, THE EDUCATORS has provided theme-based class project guidelines for Grades III to VIII. This year, the initiative reached a new milestone as Class Projects culminated in a structured competition–first at the intra-regional level and then at the inter-regional stage–across the Faisalabad and Multan regions.

WINNERS GRADE III
1st: Farid Town Campus, Sahiwal
2nd: Sir Syed Campus, Pattoki
3rd: Fatmeed Campus-I

WINNERS GRADE IV
1st: Farid Town Boys Campus, Sahiwal & Kids Campus, Sahiwal
2nd: Premier Campus-II
3rd: Fatmeed Campus-I

WINNERS GRADE V
1st:Amna Campus
2nd: Quaid-e-Azam Campus, Pir Mahal & Fatmeed Campus-I
3rd: Fatima Campus, Liaqat Pur

ہجوں کے جگنو

(EARLY YEARS - PRIMARY)

"ہجوں کے جگنو" was introduced to strengthen Urdu spelling, vocabulary and sentence construction skills among young learners. In 2025, more than 40,000 students from 264 campuses participated in the programme, which focused on improving listening, speaking, reading and writing skills to promote confident and effective communication.

INKSPIRE

(EARLY YEARS - PRIMARY - MIDDLE)

Inkspire, the first bilingual e-publication of the student magazine, marked a significant milestone by providing students across all five regions with a creative platform for writing and artwork. The initiative received widespread appreciation for encouraging creativity, expression and imagination among young learners across the network.

REGIONAL ART CONTEST

(EARLY YEARS - PRIMARY - MIDDLE)

The Regional Art Contest provided students from Grades 1-10 with a creative platform to showcase imagination, artistic expression and global awareness through meaningful artwork. The initiative encouraged originality, confidence and visual communication skills, with selected artworks proudly exhibited at Regional Speech & Debate Contests and The Educators Conference (TEC).

YOU MATTER

(PRIMARY - MIDDLE)

YOU MATTER, a nationwide well-being and safety campaign, engaged over 19,000 students across 100 campuses through monthly themes focused on mental health, safety, disaster preparedness and diversity. The initiative received strong appreciation for promoting resilience, student voice and structured well-being practices across schools.

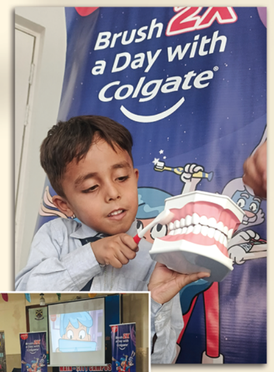

COLGATE ART CONTEST

(PRIMARY - MIDDLE - SECONDARY)

The Colgate Global Art Competition 2026, themed "My Bright Smile," was introduced for Grades 1-4 as a creative home-based activity promoting happiness, health and oral hygiene awareness. Students expressed their ideas through artwork, demonstrating strong engagement and creativity while gaining an opportunity to showcase their artistic talent on a global platform.

STEAM

(MIDDLE)

The STEAM Programme engaged more than 5,500 students from Grades V-VI across 250+ campuses through inquiry-based learning, projects and competitions. Focused on creativity, innovation and problem-solving, the programme connected learning with Sustainable Development Goals (SDGs) while earning Titanium Gold and Silver awards at STEAMATHON and ICIA competitions.

ACT TO IMPACT

(MIDDLE - SECONDARY)

Act to Impact is an educational initiative by 'THE EDUCATORS' that develops leadership, responsibility and empathy through action-based learning. Students identify community needs, take initiative and showcase their service-learning projects at a culminating conference. By fostering teamwork, self-management and emotional intelligence, the programme equips students with essential 21st-century skills while encouraging them to lead with compassion and purpose.

I AM AN ENTREPRENEUR

(MIDDLE - SECONDARY)

Implemented for Grades VII-VIII, this initiative encouraged students to develop entrepreneurial thinking, creativity and problem-solving skills. Learners explored real-life challenges, presented innovative ideas and strengthened teamwork and leadership abilities, empowering them to become confident contributors and responsible young changemakers within their communities.

CAREER PATHWAY

(SECONDARY)

The Career Pathway Programme for Grades IX-X connected classroom learning with real-world exposure through industry visits and hands-on experiences. In its pilot phase, students visited Door of Awareness, Uniformers, Ruman Sanitary, Sundas Foundation and Minhas Manufacturing Company to strengthen employability skills, career awareness and entrepreneurial thinking.

SAVE OUR STARS

(MIDDLE - SECONDARY)

The Educators' "Save Our Stars" Initiative aims to raise awareness about the vital link between students' mental, physical, and educational well-being. Introduced under the Child Protection Policy (CPP), the programme trains teachers to help students cope with bullying, stress, and depression, creating safe and supportive classrooms. So far, 981 teachers from 215 campuses have been trained, benefitting over 33,759 students nationwide. The Educators received the Pakistan Digital Award 2023 for its remarkable work in promoting student well-being.

PARTNERSHIPS & COLLABORATIONS

MATIFIC
(PRIMARY)

Matific, an award-winning digital maths platform, was successfully piloted across 3 campuses in Faisalabad, engaging 150 students. Through interactive and curriculum-aligned activities, the programme strengthened conceptual understanding and student engagement. An Award Ceremony was also held to celebrate students' achievements and learning progress.

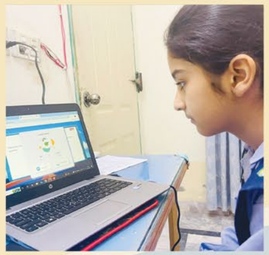

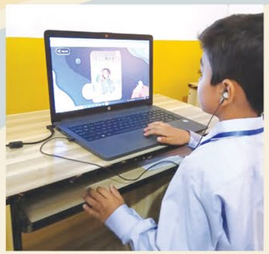

AMIRA LEARNING
(PRIMARY)

AMIRA Learning, an AI-powered reading assistant for K-8 students, was introduced as a pilot programme across all regions covering 11 schools for Grades 1 and 4. The platform supported reading fluency and comprehension through real-time coaching, micro-interventions and teacher analytics, acting as a personalized digital reading coach for young learners.

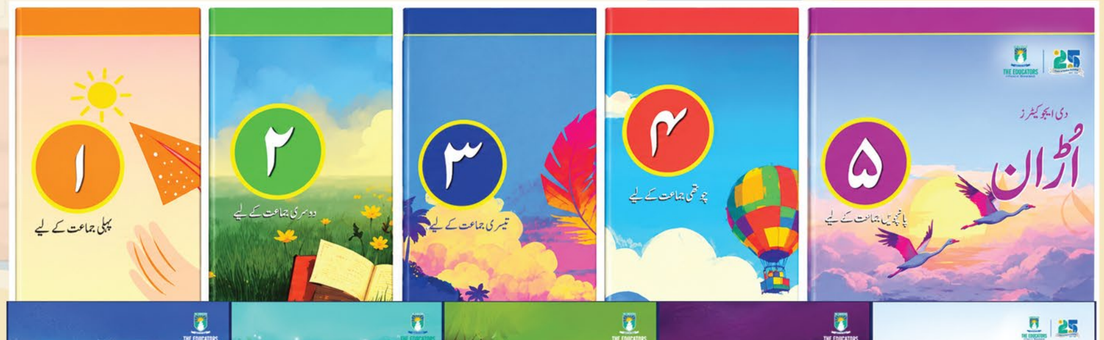

ENHANCING LANGUAGE LEARNING - KIFAYYAT & OUP
(PRIMARY)

In collaboration with Kifayyat Publishers, an engaging Urdu language series was introduced to strengthen modern language learning practices. The series focused on meaningful reading, grammar, creative activities and integrated language skills.
Developed with Oxford University Press (OUP), The Language Expedition was introduced as a curated English language programme aligned with international standards, strengthening reading, grammar and core language skills through contextualised and activity-based learning approaches.

ART BOOKS SUNRISE
(EARLY YEARS - PRIMARY)

In collaboration with Sunrise Publications, the Art and Activity Book (PG-II) was introduced to support early childhood development through engaging, hands-on activities. The programme focused on fine and gross motor skills, sensory development and classroom participation. Each book included a dedicated materials board and customised certificate to encourage motivation and achievement among learners.

TRAINING

BEPD

(EARLY YEARS - PRIMARY - MIDDLE - SECONDARY)

BEPD sessions were conducted to strengthen professional development, classroom effectiveness and instructional practices across multiple sections. The training focused on modern pedagogical approaches, teacher engagement and practical classroom implementation to improve overall learning experiences.

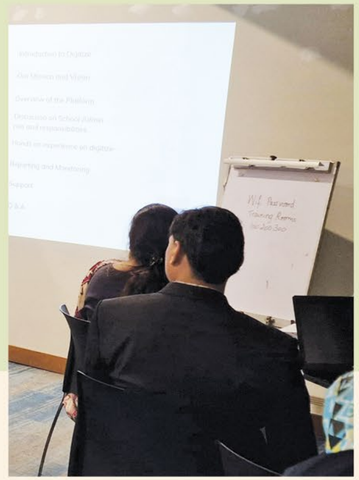

DIGITIZE

(EARLY YEARS - PRIMARY - MIDDLE - SECONDARY)

Digitize training sessions promoted the effective use of digital tools and technology-integrated teaching practices across campuses. Teachers were guided on digital classroom management, interactive learning resources and modern educational platforms to strengthen engagement and instructional delivery.

TE TITLES

(EARLY YEARS - PRIMARY - MIDDLE - SECONDARY)

'THE EDUCATORS' conducted New Titles Training sessions across the network to support teachers in the effective implementation of newly introduced academic resources. Covering Urdu, English and Arts, the training provided educators with practical orientation, subject-specific guidance and classroom-focused strategies to strengthen teaching practices.

The initiative enhanced teachers' understanding of the new titles and equipped them with effective approaches to improve classroom delivery and create more engaging learning experiences for students.

PRACTICAL TRAINING FOR SECONDARY TEACHERS

(SECONDARY)

PT4ST was expanded in the Faisalabad Region during August 2025, engaging 53 secondary teachers in Chemistry, Biology and Computer Science. The training focused on hands-on demonstrations, virtual lab integration and inquiry-based learning practices aligned with Punjab Board requirements. More than 95% of participants acknowledged enhanced professional learning and practical skill development.

BSS TRAINING FOR SECONDARY TEACHERS

(SECONDARY)

Subject-based training sessions were conducted for over 62 BSS secondary teachers from the Central Region in Islamiyat, Tarjamat-ul-Quran and Pakistan Studies. The sessions focused on board marking techniques, student performance strategies and modern teaching methodologies aligned with updated assessment practices and recent board requirements.

SECONDARY SUBJECT-BASED TEACHER TRAINING SESSIONS

(SECONDARY)

SSBTTS sessions were conducted across Central, Faisalabad, Multan, North and South regions, engaging over 519 participants from Punjab, Federal, KPK and Sindh boards. Teachers attended subject-focused sessions in Chemistry, Physics, Mathematics, English and Computer Science covering assessment techniques, paper development and effective classroom practices through interactive activities.

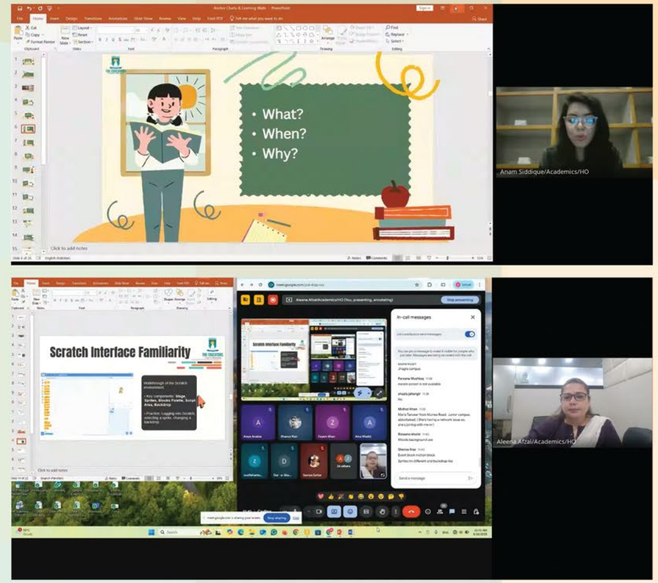

ONLINE TRAINING SESSIONS

(PRIMARY - MIDDLE)

Two cycles of online teacher training were conducted in September-October 2025 and February 2026, engaging over 6,000 participants across regions. The sessions focused on pedagogy, classroom management, subject-specific strategies and teacher well-being, while promoting practical classroom application and improved teaching practices through interactive learning experiences.

SUPPORT STAFF TRAINING

More than 500 support staff members across the network participated in a comprehensive training initiative designed to strengthen their understanding of their roles and responsibilities within the school environment. The training focused on four key areas: Safety and Protection, Hygiene and Dress Code, Professional Conduct and Ethics, and Rules, Regulations and Responsibilities.

Through practical guidance, participants developed greater awareness of maintaining a safe and hygienic environment, demonstrating professional conduct and adhering to school policies and standards. The initiative strengthened accountability and contributed to building a safer, more disciplined and professional school culture across the network.

VALUE ADDITION

EARLY YEARS TOOLKIT

(EARLY YEARS)

The Early Years Toolkit was introduced to strengthen foundational learning and classroom engagement through activity-based learning resources and age-appropriate instructional support. The toolkit enhanced interactive classroom experiences and supported teachers in delivering structured and meaningful learning opportunities for young learners.

STP – SCHOOL TRANSFORMATION PROGRAMME

(EARLY YEARS - PRIMARY - MIDDLE)

'THE EDUCATORS' School Transformation Programme (STP) is a holistic initiative designed to strengthen the learning environment and operational effectiveness of campuses across the network. Through close collaboration between Head Office, regional teams and school staff, the programme identifies strengths, addresses performance gaps and implements sustainable strategies for improvement.

Each STP cycle focuses on key areas including academic delivery, Early Years, classroom environments, student engagement and leadership effectiveness. Structured campus visits and follow-ups support schools in achieving higher quality standards and creating more enriching learning experiences for students.

MADARIK – EMPOWERING TEACHERS & STUDENTS

(SECONDARY)

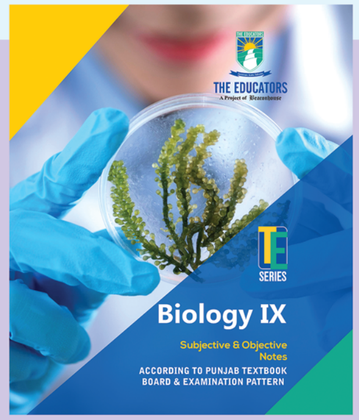

Madarik was launched as an online instructional initiative for Islamiyat and Tarjamat-ul-Quran, focusing on syllabus coverage, examination techniques and effective answer-writing strategies. Successfully implemented across 102 campuses, the initiative engaged over 5,014 students and demonstrated remarkable impact with an impressive 166% growth rate across the network.

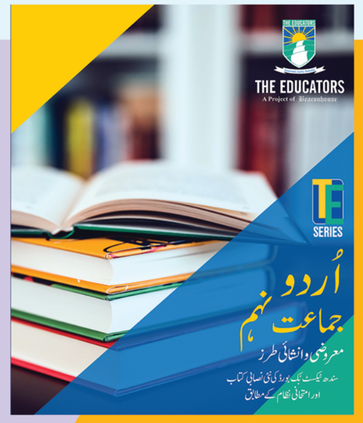

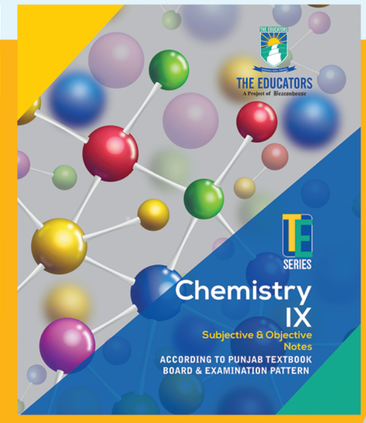

TE NOTES SERIES

(SECONDARY)

The TE Notes Series was introduced as a structured academic support resource for students and teachers. Developed by subject specialists, the series included textbook solutions, board-aligned MCQs, short questions and extended response questions designed to strengthen conceptual understanding, examination preparation and overall learning outcomes across campuses.

SECONDARY ONLINE LEARNING SESSIONS

(SECONDARY)

Online orientation sessions were conducted for 520+ participants across Punjab, Federal, KPK and Sindh boards to ensure uninterrupted learning during temporary school closures. Teachers were guided on lesson planning, classroom engagement and the use of digital platforms including Google Meet, Google Classroom, Google Docs and Google Forms.

Virtual Secondary Education:

The Roadmap for Academic Continuity

The Live Virtual Session

24-Hour Preparation
Teachers share schedules and Google Meet links one day in advance for student readiness.

The First 5 Minutes
Every session begins with formal attendance and a mandatory emotional check-in.

Digital Etiquette Standards
Students must keep cameras turned ON and microphones muted unless invited to speak.

Assignment & Feedback Cycle

Physical-to-Digital Submission
Students complete work in physical notebooks and upload photos to Google Classroom.

48-Hour Flexible Deadlines
Students have a minimum of two days to submit assignments to accommodate connectivity.

Digital Feedback

The Dual Feedback Loop
Teachers provide digital feedback online and verify physical notebooks upon return to school.

Student Work

Physical Verification (Upon Return)

Core Responsibilities for Key Stakeholders

Teachers
Deliver concise instruction and maintain regular timetable structures.

Students
Maintain punctual attendance and professional chat usage.

Parents
Monitor 5-minute breaks and facilitate a quiet learning space.

THE FOUR TOOLS USED DURING THE REMOTE LEARNING

Google Classroom

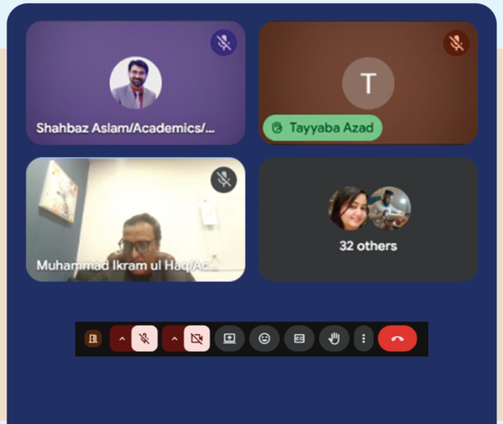

Google Meet

PowerPoint

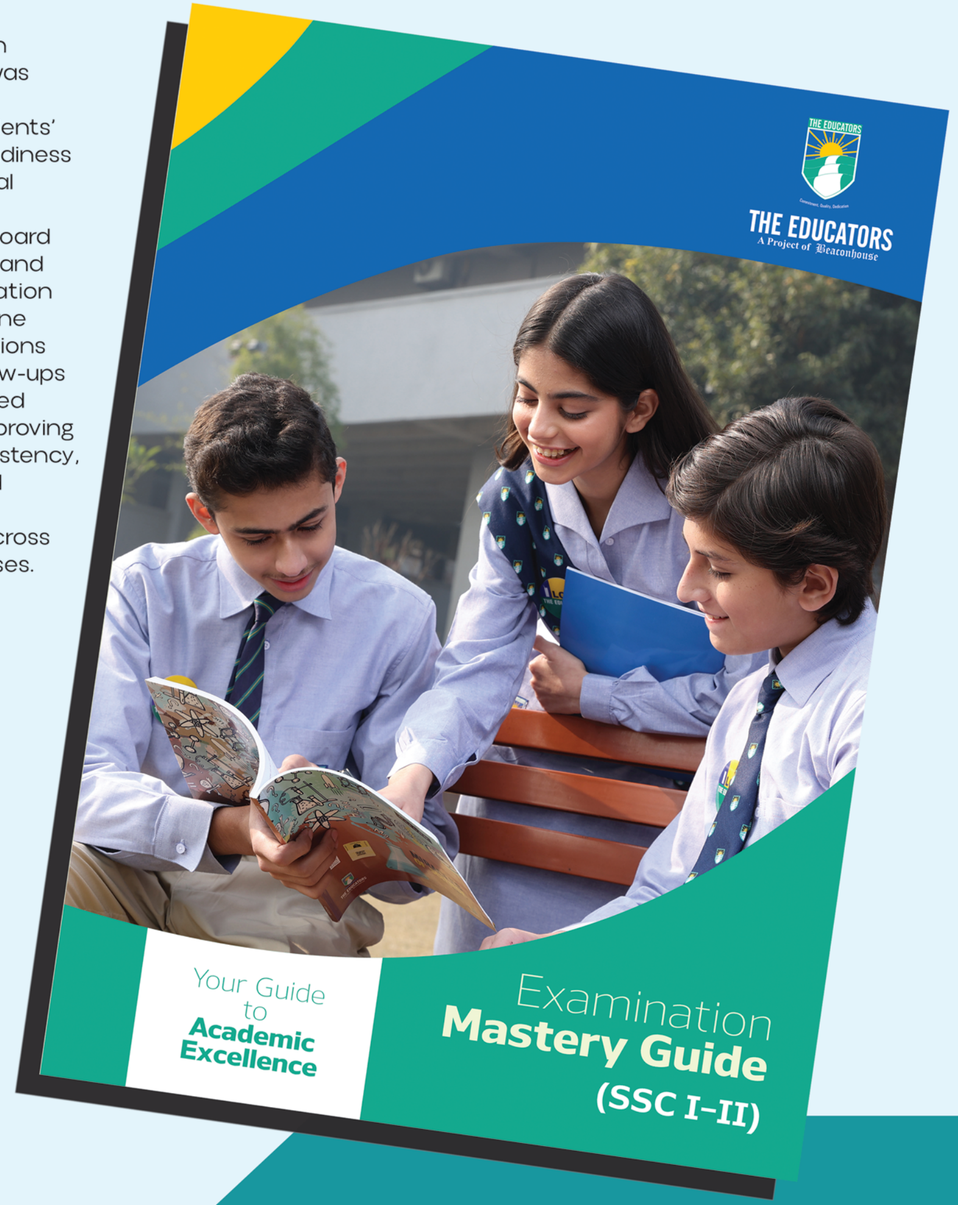

WhatsApp

EXAMINATION MASTERY GUIDE

(SECONDARY)

The Examination Mastery Guide was introduced to strengthen students' examination readiness through practical support in time management, board paper patterns and answer presentation techniques. Online orientation sessions and regular follow-ups further supported campuses in improving academic consistency, confidence and examination performance across secondary classes.

CAMPUS SUPPORT VISITS

(SECONDARY)

Campus Support Visits and Cluster-Based Orientation Sessions continued across the network to strengthen curriculum implementation and instructional practices. The visits included classroom observations, assessment reviews, mentoring and guidance on formative assessment, lesson planning and effective use of academic support systems including SMP, QPG and Gradebook.

F2F STUDENTS SESSIONS

(SECONDARY)

Student support and guidance sessions were conducted nationwide to help learners prepare for evolving board examination requirements. Students received guidance on examination techniques, time management, paper analysis and answer-writing strategies. More than 4,000 students participated, improving confidence and readiness for board examinations across multiple regions.

WE ARE THE WINNERS!

BRAND OF THE YEAR AWARDS 2025

'THE EDUCATORS' proudly won the Largest School Franchise Model award at the Brand of the Year Awards 2025, marking another milestone in its 25 Years of Nation Building.

The award was received by Mr Salman Ejaz, Senior Manager Marketing, and presented by Mr Qaiser Ahmed Sheikh, Federal Minister for Investment. This prestigious recognition celebrates the collective dedication and trust of the entire 'THE EDUCATORS' community across Pakistan.

CELEBRATING 25 YEARS OF NATION BUILDING

Celebrating 25 years called for a campaign that truly represented the people behind 'THE EDUCATORS'. Our students, parents, teachers, employees, Network Associates and alumni have all shaped this journey, and this milestone was an opportunity to celebrate the memories, achievements and connections we have built together.

A CAMPAIGN BUILT ON PEOPLE

Building on our much-loved "I Love 'THE EDUCATORS'", we introduced "I Am 'THE EDUCATORS'" and "We Are 'THE EDUCATORS'", taking the idea from love for the brand to a deeper sense of identity and belonging. Months of thought, creativity and collaboration went into bringing this ideato life and making our 25-year celebration truly about the people who made it possible.

THE MINDS BEHIND THE CAMPAIGN

EMPOWERING MINDS TRANSFORMING FUTURES

HEAD OFFICE EVENTS

22nd ANNUAL SPEECH & DEBATE COMPETITION – NATIONAL LEVEL

Held at Beaconhouse Liberty Campus, the event featured Urdu, English and parliamentary-style debates after cluster and regional rounds. Ms. Salima Hashmi attended as Chief Guest, while Ms. Sarah Ahmad, Chairperson Child Protection and Welfare Bureau Punjab, joined as Guest of Honour. Faisalabad Region emerged as winner, while North Region secured runner-up position.

WINNER REGION - FAISALABAD

RUNNER-UP REGION - NORTH

THE EDUCATORS CONFERENCE (TEC-3):

FUTURE-READY EDUCATORS – NAVIGATING CHANGE, INSPIRING LEARNERS

THE EDUCATORS Conference (TEC-3) was held in Karachi on 13 December 2025 under the theme "Future-Ready Educators - Navigating Change, Inspiring Learners." The conference featured two panel discussions, interactive breakout sessions and Chief Guest & Keynote Speaker Dr. Iain Keith Riley, School Head, TNS Beaconhouse, alongside leading educators and professionals promoting innovation and student-centred learning.

ANNUAL WAY FORWARD 2026-27

CENTRE, FAISALABAD, NORTH, SOUTHERN PUNJAB & SOUTH REGIONS

THE EDUCATORS conducted the Annual Way Forward 2026-27 presentations across Centre, Faisalabad, North, Southern Punjab and South Regions, bringing together valued business partners to reflect on key initiatives undertaken during the year and share the strategic direction for the year ahead. Departments including Marketing, Academics, QA and others presented future plans and interventions focused on strengthening educational quality, operational excellence and network-wide growth.

THE EDUCATORS' INTERNATIONAL CONFERENCE 2025-26

BAKU, AZERBAIJAN 🇦🇿

As part of the 25 Years Celebrations of THE EDUCATORS, the International Conference 2025-26 was held in Baku, Azerbaijan, where 80+ top-performing business partners were recognised for their outstanding contributions. Mr. Muhammad Ali Butt, Head of Operations and Business Development, and Ms. Seemi Eruj, Assistant Director Operations, PTSL, accompanied the delegation throughout the conference.

SYNERGY SUMMIT 2025
HUNZA EDITION

Every year, 'THE EDUCATORS' brings together employees from the Head Office and regional teams for a retreat as a token of appreciation for their dedication and contributions. In 2025, the Synergy Summit took the team to the breathtaking landscapes of Hunza, providing an opportunity to unwind, connect and celebrate together.

More than just a retreat, the experience strengthened collaboration, team spirit and a sense of belonging, creating meaningful connections and unforgettable memories across 'THE EDUCATORS' family.

25 Years Ki Baat Hai,

INTERVENTIONS

ACT TO IMPACT

The Faisalabad Region hosted the Act to Impact regional competition, where students presented innovative projects addressing social issues including women empowerment, digital awareness and autism advocacy. The event highlighted young leaders' commitment to creating meaningful change through impactful, SDG-aligned ideas.

AMIRA

The Faisalabad Region is strengthening English literacy through the integration of Amira Learning at Maryam Campus and Sir Syed Campus, Pattoki, enhancing students' reading fluency, confidence and learning outcomes through AI-powered personalized support.

DESIGNATHON

The Faisalabad Region proudly represented Pakistan at the Global Children's Designathon, where students from Amna Campus and Zaineb Campus showcased innovative, SDG-focused ideas through creativity, design thinking and problem-solving.

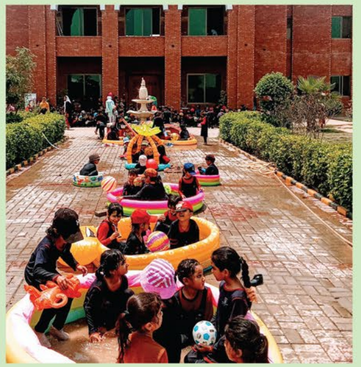

EARLY YEARS FRAMEWORK

HIJOUN KAY JUGNU

I AM AN ENTREPRENEUR

The Faisalabad Region hosted the "I am an Entrepreneur" intervention, where students presented innovative business ideas showcasing creativity, strategic thinking and entrepreneurial potential. The event reflected the region's commitment to nurturing future business leaders and young innovators.

ACT TO IMPACT

The Northern Region continues to lead the way in nurturing young changemakers through impactful student-led initiatives. Congratulations to Bharakahu Campus I, Swabi Campus, Pabbi Campus I and Taxila Campus for securing winning positions at the TE Youth Leadership Conference, ACT TO IMPACT, with their inspiring community-driven projects.

STEAM

The North Region continues to excel in innovation and creativity through the SDG-based STEAM Competition, where students showcased outstanding problem-solving and future-ready thinking. Congratulations to Khayaban e Sir Syed Campus for securing 2nd Position at the National Level and winning a Silver Award at the prestigious ICIA competition.

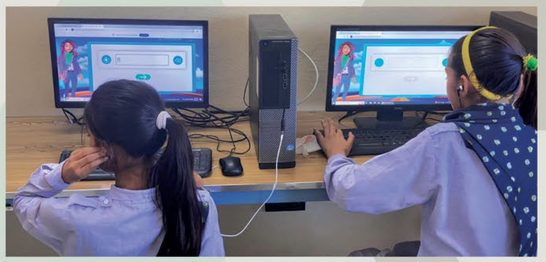

AMIRA PROGRAMME

AT TANGI CAMPUS & AR RAHEEM CAMPUS

The AMIRA pilot programme at 'THE EDUCATORS' Tangi and Ar Raheem Campuses in the Northern Region is enhancing English language acquisition for Grade I and IV students through engaging, technology-enabled learning. Moving beyond passive instruction, the programme uses diagnostic insights to encourage active participation, helping students build confidence, fluency and greater ownership of their learning journey.

AMIRA is an advanced AI-powered educational platform designed to strengthen reading and language proficiency. Unlike conventional learning applications that rely primarily on multiple-choice activities, AMIRA uses sophisticated speech-recognition technology to listen as students read aloud, assess their progress and provide personalised support. By combining data-informed insights with an interactive learning experience, the initiative is helping create a more responsive approach to literacy development and supporting meaningful student growth.

NORTH PARLIAMENTARY DEBATE SHOWCASE

The North Region marked a historic milestone with its inaugural regional parliamentary debate showcase, where Maham Tahir and Navera Tanvir from Bharakahu Campus I, along with Ahmed Iqbal and Ahiyan from New Adiala Campus, impressed audiences with their confidence, critical thinking and exceptional speaking skills.

OPEN DAY AT STP CAMPUSES

Under STP, THE EDUCATORS Shahbagh and Hazro Campuses hosted their first-ever student-led Open Day. Families appreciated the activity-based learning, STEAM activities, student performances and dedicated efforts of the campus staff.

REGIONAL ART COMPETITION

The Educators Regional Office (North) hosted an inspiring Art & Photography Contest, celebrating the creativity and talent of young learners. The event reflected the region's commitment to nurturing artistic expression and empowering future creative minds.

SPEECH & DEBATE COMPETITION REGIONAL LEVEL

The North Region celebrated International Students' Day through its 22nd Annual Speech and Debate Competition, highlighting the confidence, talent and leadership of young learners across the region.

TEACHERS DAY

The Educators North Region hosted a vibrant Teacher's Day celebration at the regional office. By gathering campus leaders to honor our educators, we underscored our commitment to fostering a progressive learning environment. This event reflects our dedication to empowering faculty, ensuring our students receive an unparalleled educational experience.

STEAM

The STEAM Competition highlighted innovation and creativity through 25 student projects. National winners from Grades 5 and 6 secured 1st position in their categories, while their projects also earned Gold and Silver Awards at ICIA, bringing pride to the institution and region

WIZARDS OF CODING

Wizards of Coding, a Grade 2 coding competition, engaged over 1,000 students across 11 campuses in exploring programming and computational thinking. In the 2025-26 session, the winning project from ROSP earned its creator the title of WizKid TE-EY Champion.

HIJOUN KAY JUGNU

For the past four years, Hijoun Kay Jugnu has promoted Urdu language excellence by enhancing students' spelling, vocabulary, pronunciation, and confidence. In 2025-26, the competition engaged 13,388+ students across 37 campuses, making a significant impact on Urdu language learning.

ART & PHOTOGRAPHY CONTEST

ROSP successfully hosted the Art & Photography Contest, showcasing exceptional student creativity and talent. Evaluated by Beaconhouse experts, the event provided a prestigious platform for artistic expression and excellence.

WORD SPLASH

Word Splash provided a fun and engaging platform for KG young learners to build early literacy and spelling skills. In 2025-26, the competition impacted 1,370 students across 18 campuses, fostering confidence, vocabulary development, and a deep appreciation for learning English.

I AM AN ENTREPRENEUR

I Am An Entrepreneur provided a platform for students to showcase creativity, innovation, and business acumen. This year, 22 projects from 8 campuses participated, securing a place among the top three at the National level while fostering entrepreneurial thinking, problem-solving, and presentation skills.

ACT TO IMPACT YOUTH LEADERSHIP CONFERENCE

The Act to Impact Youth Leadership Conference 2025 engaged 22 students across 5 teams in presenting innovative, community-focused projects. Successfully organized by THE EDUCATORS ROSP, the regional event brought together young leaders from across Southern Punjab, fostering collaboration, creativity, and problem-solving while empowering students to drive meaningful social impact.

YOU MATTER

YOU MATTER, a holistic initiative, engaged 4,620 students across 13 campuses from Grade III to VIII, focusing on building resilience, empathy, and positive self-awareness among learners.

PROJECT WEEK COMPETITION

During the pilot phase of the National Project Week Competition, 129 students from 11 ROSP campuses participated, showcasing innovation, creativity, and collaborative learning. The region achieved remarkable success by securing 3 First Positions, 2 Second Positions, and 1 Third Position across different categories. These achievements reflect ROSP's strong commitment to project-based learning and academic excellence.

TRAINING SESSIONS

As part of our commitment to continuous professional development, 48 Free Cluster Trainings, 9 CSR Trainings, and 33 Paid Training Sessions were conducted. These programs benefited 1,192 participants in free sessions and 577 participants in paid sessions, providing valuable opportunities for teachers to enhance their skills, knowledge, and classroom practices.

MATRIC EXCELLENCE CHALLENGE

The Regional Office South successfully organized the Matric Excellence Challenge-2026 with participation from 38 comprehensive campuses. The initiative provided students with a real-time board examination experience, helping them prepare confidently for the Board of Secondary Education Karachi examinations and promoting academic excellence.

ANDAZ E SUKHAN

Regional Office South organized Andaz-e-Sukhan, an Urdu elocution contest for Classes-III and IV, encouraging students' love for the Urdu language and enhancing their confidence and expression. A total of 66 students from 33 campuses participated, celebrating language, culture, and young talent.

Class-III: Winner: Syed Muhammad Roohallah Naqvi from Gulshan e Iqbal III, Runner up: Anabia Ashraf of Pak Kausar Town. Class IV: Winner: Muhammad Ome Meer of Rafah e Aam Royal, Runner up: Ayesha Javaid of Gulshan e Iqbal Campus-I.

I AM AN ENTREPRENEUR

As part of the Entrepreneur Academic Intervention initiative, Online Regional and National Level Entrepreneurship Competitions were successfully organized. Among the participating campuses, Arizona campus-Karachi and New Karachi campuses qualified for both the Regional and National Rounds, showcasing exceptional creativity, innovation, and teamwork.

The submitted student projects were further shared with Institute of Business Management(IoBM) for evaluation and recognition.

Arizona Campus earned the prestigious "Best Purposeful Project Award" at the National Round for the session 2025-2026.

STEAM

The EDUCATORS South Region organized the Regional Round of the STEAM Competition for Grades 5 and 6 online, providing students with an exciting platform to showcase their creativity, innovation, collaboration, and problem-solving skills through STEAM-based projects. Following a highly competitive round, the Grade 5 campuses that qualified for the National Round were New Karachi Campus, Rafah-e-Aam Royal Campus, and P.E.C.H.S. Campus with their respective project topics. In Grade 6, the qualifying teams were Rafah-e-Aam Royal Campus, Nazimabad Sir Syed Campus and K.A.E.C.H.S Campus. The competition highlighted the remarkable talent, ingenuity, and teamwork of students across the region.

ACT TO IMPACT

The South Region virtually hosted the regional culmination of the "Act to Impact" intervention, promoting social responsibility and leadership among students. Participating campuses presented impactful community welfare projects, with three outstanding initiatives selected to represent the region at the national level.

ACTIVITY IN COLLABORATION WITH IBA

THE EDUCATORS Regional Office-South collaborated with IBA-CED to conduct an interactive entrepreneurial mindset session at Rafah-e-Aam Royal campus under the "I'm an Entrepreneur" initiative. The session inspired Grades VIII–X students to think creatively, solve problems, and develop leadership, innovation, and entrepreneurial skills through engaging activities and discussions.

REGIONAL ART COMPETITION

The Regional Art & Photography Competition 2026 engaged students from 42 campuses, receiving 223 entries aligned with the SDGs. The introduction of a Live Art category added excitement, showcasing students' artistic talent, imagination and innovation through inspiring and meaningful visual expressions.

SPEECH & DEBATE COMPETITION REGIONAL LEVEL

The South Region successfully hosted the 22nd Annual Speech & Debate Contest 2025-26 regional round, featuring winners from 80+ campuses competing in Urdu and English categories. The event celebrated students' confidence, critical thinking, and expression, with selected winners advancing to represent the region nationally. The following students won the national level competition; Hussain-ul-Haq from Nazimabad Sir Syed Campus Secured 1st Position, Umaima Sadiq from Nazimabad Sir Syed Campus secured 2nd Position and Syeda Mishal Fatima from Nazimabad Sir Syed Campus secured 3rd Position

BOARD TOPPERS CEREMONY 2026

'THE EDUCATORS' celebrated its Matriculation Board Toppers 2026 at a special ceremony held at the Beaconhouse Head Office, Lahore. Pakistan Topper Amina Mehboob, who secured 1,192/1,200 marks, was awarded a cash prize of PKR 500,000, along with a medal and certificate, while fellow Board Position Holders Amina Amir, Muhammad Ayyan and Rabail Fatima each received PKR 100,000, along with medals and certificates.

The ceremony was graced by Mr. Ali Ahmad Khan, Chief Operating Officer, Beaconhouse, as Chief Guest, and Mr. Muhammad Ali Butt, Project Director, United Charter Schools, as Guest of Honour. Mr. Ali Raza, Group Director, Beaconhouse; Mr. Ayyaz Ali Khan, Head of Operations & Business Development; Ms. Fauzia Adnan, Head of Academics; and Ms. Mehwish Khan, Head of Marketing, also joined the celebration, recognising the students and their remarkable achievements.

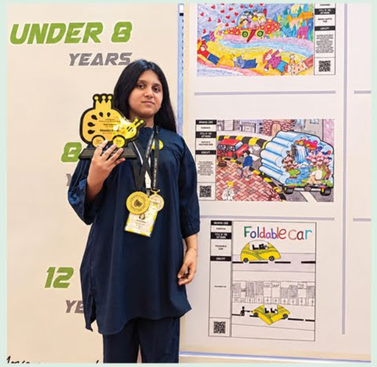

INSPIRING JOURNEYS

KHADIJA AKBAR
WINS NATIONAL GOLD AWARD
SOUTH REGION

A moment of pride for The Educators Gulshan-e-Iqbal III Khadija Akbar, a talented Class V student, has soared to victory, winning both Regional and National Gold Awards in the Toyota Dream Car Art Contest 2025 (8-11 years category). Honored by Mr. Ashar Ali Jamali, CEO of Indus Motor Company, Khadija shines bright as the only South Region winner – an inspiration for all!

STORYTELLING WITH SHIRAZ
NORTH REGION

Muhammad Shiraz, one of Pakistan's popular young vloggers from Gilgit-Baltistan and a proud student of our network, joined his younger sister Muskan to explore Once Upon a Time, a book by our Chairperson, Mrs Nasreen Mahmud Kasuri. Beyond his digital journey, Shiraz has also been contributing towards better educational opportunities for children in his village, a purpose that closely aligns with our commitment to making quality education accessible to communities across Pakistan. As part of a special storytelling initiative by the North Region, the activity aims to inspire a love for reading while strengthening language skills, imagination and creativity among young learners.

THE EDUCATORS AT SPARKTANK
COHORT 3 GRADUATION
SOUTH REGION

Young entrepreneurs from 'THE EDUCATORS' Gulshan-e-Iqbal Campus III, Karachi proudly represented the network at the SPARKTANK Showcase & Cohort 3 Graduation Expo in Lahore. Marking a first for 'THE EDUCATORS', students Summaya Mirza, Fatima Farhan and Areena Irshad brought their entrepreneurial vision to life by confidently presenting their innovative idea, engaging with visitors and responding to questions, earning appreciation for their creativity, confidence and entrepreneurial thinking.

Under the dedicated guidance of Mrs Mahera Suleman, Network Associate, this achievement reflects 'THE EDUCATORS' commitment to providing meaningful opportunities beyond the classroom. By encouraging innovation, problem-solving, communication and entrepreneurship, such experiences empower students to develop future-ready skills and grow into confident young changemakers.

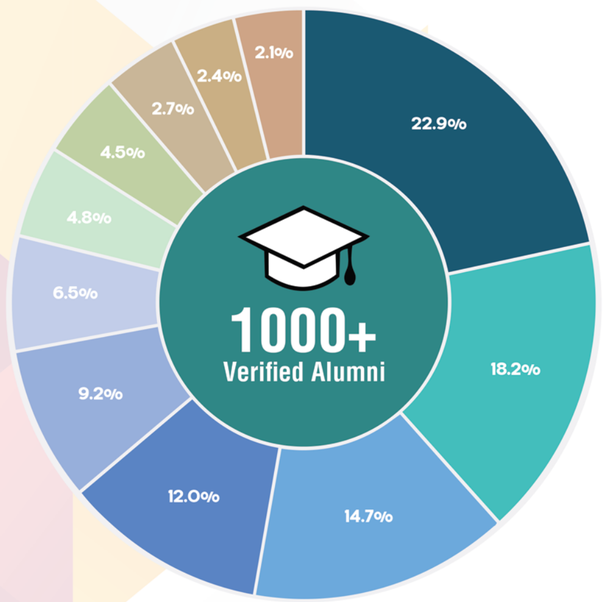

THE EDUCATORS ALUMNI LEGACY

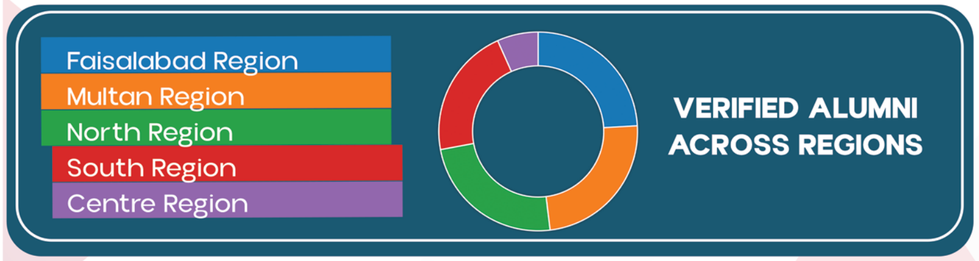

Thank You for Making TEAL a Success!

Launched in March 2026, THE EDUCATORS Alumni Legacy (TEAL) was created to reconnect with our alumni and celebrate their journeys beyond the classroom. Within just three months, TEAL reached an exciting milestone of 1,000 verified alumni from across the network. This achievement would not have been possible without the tremendous support and efforts of our campuses. Thank you for helping us reconnect with our alumni and making TEAL a success. With much more planned for the future, we look forward to strengthening our alumni community, celebrating their achievements and creating meaningful opportunities for connection and engagement.

DR. NAVEERA FAYYAZ

BAZIL CAMPUS - FAISALABAD REGION

Dr Naveera Fayyaz, an alumna of 'THE EDUCATORS' Bazil Campus, earned her MBBS from Punjab Medical College, Faisalabad, and is a double-certified Medical Trainer from Medipol University, Istanbul, and The Chinese University of Hong Kong. Currently serving as a Resident Medical Officer in the Intensive Care Unit (ICU), she has also represented Pakistan at global medical students' conferences in Hong Kong and Turkey as an international trainer and policymaker.

DR SANA ASHRAF

GHAZALI CAMPUS - SOUTHERN PUNJAB REGION

Dr Sana Ashraf, an alumna of 'THE EDUCATORS' Ghazali Campus, completed her MBBS from Nishtar Medical College, followed by a BSc and FCPS in Obstetrics & Gynaecology. A Consultant Gynaecologist, she established the first Sub-Fertility Clinic in Vehari and pioneered Assisted Reproductive Techniques in the region, including IUI, IVF and ICSI.

NAWAE SAROASH

SHAKARGARH CAMPUS - CENTRE REGION

Nawae Saroash, an alumna of 'THE EDUCATORS' Shakargarh Campus, earned her BDS from Lahore Medical and Dental College. She currently leads ESAARE SHUMA, an organisation focused on education, empowerment, healthcare and community welfare. Her work supports education and healthcare cases, provides monthly ration assistance to 150 families and extends to wider relief and humanitarian initiatives.

ALISHMA SAEED

QAMAR CAMPUS - NORTH REGION

Alishma Saeed, an alumna of 'THE EDUCATORS' Qamar Campus, holds an LLB (Hons) from UCL, London, and an LLM from BPP Law School, London, and was called to the Bar by The Honourable Society of Lincoln's Inn. Currently practising as a Barrister in England and Wales, she specialises in criminal law and immigration matters and also serves as an Arbitrator in civil disputes, reflecting her diverse expertise and accomplishments within the legal profession.

SHAHBAZ NASIM

ARIZONA CAMPUS - SOUTH REGION

Shahbaz Nasim, an alumnus of 'THE EDUCATORS' Arizona Campus, completed his Matriculation in 2009 and later earned a BE in Software Engineering from NED University of Engineering & Technology. With over 10 years of experience mentoring MDCAT students, he currently serves as Academic Head at Ziauddin University Examination Board, continuing his work in education, leadership and student development.

STAR PERFORMERS

AASIA MASOOD KHAN

Joined 'THE EDUCATORS' in 2001 as one of the pioneers in the North Region. Beginning with a single campus, her vision and leadership have supported expansion across Rawalpindi and Islamabad. Under her guidance, the campuses have achieved success in academics and co-curricular activities while embracing modern facilities, professional teacher training, AI and technology-based learning. Her continued commitment has contributed to strong matriculation results and overall student success.

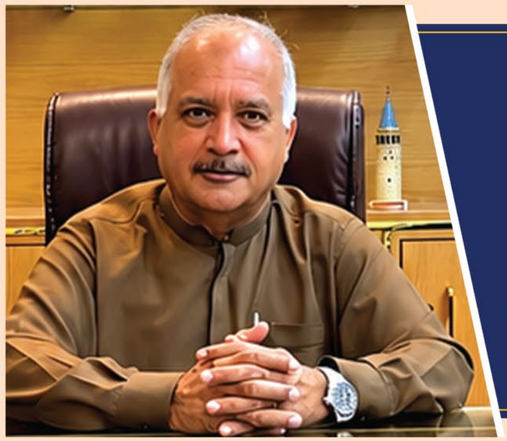

REHANA SOHAIL

Established 'THE EDUCATORS' Rafeh-e-Aam Royal Campus, Karachi, alongside Mr Muhammad Sohail Moosa in February 2009 and has since played a pivotal role in leading the campus towards academic excellence. Supported by Mr Muhammad Sohail Moosa's vision and contribution towards its infrastructure and sustained growth, the campus has achieved numerous regional and national milestones, including the prestigious Platinum Award from ICIA for Pakistan. Her continued leadership has helped nurture confident, empathetic and socially responsible students with strong academic foundations and character.

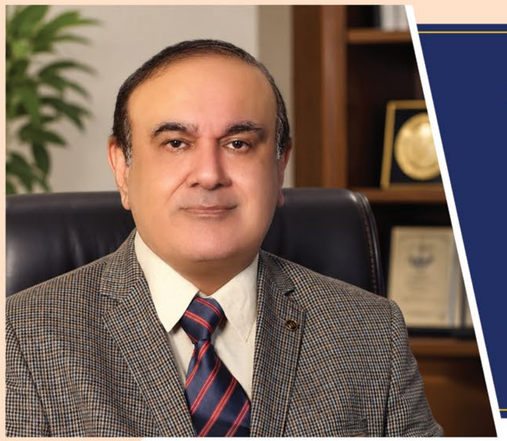

ASIF BAIG

Established 'THE EDUCATORS' Al Rauf Campus, Samanabad, in 2002 with a vision to provide quality education. Over more than two decades, the campus has earned the trust of families and produced successful graduates across fields including medicine, the armed forces and information technology. His journey reflects a long-standing commitment to education and the continued growth of the campus, supported by the collective efforts of the Head Office, dedicated staff, students and parents.

MIAN MUHAMMAD NAVEED

Established 'THE EDUCATORS' Sir Syed Campus, Hujra Shah Muqeem, in 2011 with a commitment to academic excellence, strong values and purposeful leadership. Under his stewardship, the campus has achieved numerous academic distinctions, including 2nd Position in the Sahiwal Board, and has received the Star Campus Award six times. His dedication and leadership continue to inspire students and educators while strengthening a legacy of sustained academic achievement and educational excellence.

MUHAMMAD AMJAD KHAN

Associated with 'THE EDUCATORS' since 2004, he serves as Director of Hashmat Campus, Khanewal. Holding a Master's degree in Economics and an MBA, he has demonstrated strong leadership and a consistent commitment to the growth and development of his campus. His hands-on approach, operational expertise and ability to build capable teams from the grassroots level have strengthened the campus over the years, reflecting his perseverance, leadership and passion for educational excellence.

INSPIRING LEADERSHIP

SHAZIA RASIKH

Has been associated with 'THE EDUCATORS' for two decades and currently serves as School Head of Al Rauf Campus, Lahore. Holding an M.Phil in Education, M.Ed and M.Sc in Psychology, she has also contributed to UNICEF education and health projects. In recognition of her contributions to education, she received the Leadership Excellence Award from CAPULA International in 2010. Her strong team-building and mentoring abilities continue to define her journey as a growth-oriented educational leader.

SHAZIA ANBREEN

Brings 27 years of experience in education, including extensive managerial and leadership roles with leading educational organisations. Currently serving as Principal of 'THE EDUCATORS' Hashmat Campus, Khanewal, she has also served as a Master Trainer, mentoring teachers and strengthening classroom practices. With international Professional Development Qualifications focused on modern pedagogy and learning diversity, her approach centres on inclusive education, innovative teaching and creating effective learning environments that support both student success and professional growth.

TAHIRA ANJUM

Has dedicated 17 years to leading 'THE EDUCATORS' Rafah-e-Aam Royal Campus as Principal, with a strong commitment to academic excellence and effective learning. As an instructional leader, she has consistently supported teachers and students by fostering a positive and collaborative environment. Her emphasis on teachers' professional growth and the adoption of modern teaching strategies has helped strengthen classroom practices, make learning more engaging and create a lasting positive impact on student learning across the campus.

SHUMAILA HAROON

Brings 16 years of experience in the education sector and currently serves as Principal of 'THE EDUCATORS' Ghouri VIP Campus. Holding an M.Sc in Pakistan Studies from the University of the Punjab and a professional B.Ed degree, she has held leadership roles within 'THE EDUCATORS' system throughout her professional journey. Her approach reflects strong leadership, innovation in teaching practices and a commitment to creating a positive, disciplined and high-achieving environment that supports student success and holistic development.

TARIQ JAVAID

Has dedicated four decades to the field of education and joined 'THE EDUCATORS' in 2005. Serving as School Head of Sir Syed Campus, Pattoki, since 2006, he holds a B.Sc, M.A and M.Ed (ELM). His leadership focuses on developing leadership qualities among learners and teams through transformational and adaptive management approaches. His long-standing association with the network reflects his commitment to education, professional growth and creating an environment where students and teams are encouraged to develop and lead.

CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

South Region

As part of its CSR initiatives, 'THE EDUCATORS' South Regional Team conducted training sessions for teachers at Jinnah Foundation Karachi and The Aghaaz School. The sessions focused on strengthening effective classroom teaching and learning practices, while also promoting the social and emotional well-being of teachers and students, reflecting the region's commitment to professional development and meaningful community impact.

Faisalabad Region

As part of its CSR initiatives, 'THE EDUCATORS' Faisalabad Regional Team conducted teacher training sessions for local schools in resource-constrained communities. The initiative focused on strengthening classroom management, promoting student-centred learning and developing 21st-century teaching practices, reflecting the region's commitment to empowering educators and creating sustainable educational impact within the community.

Southern Punjab Region

As part of its CSR initiatives, 'THE EDUCATORS' Southern Punjab Regional Team conducted 9 free training sessions for educators from Mukhtar A. Sheikh Trust School (MASH), Taare Zameen Par School and The Caliber School. The sessions focused on strengthening professional development and enhancing teaching practices, reflecting the region's commitment to supporting educators and contributing to meaningful educational development within the community.

Centre Region

'THE EDUCATORS' Centre Academic Team continued strengthening educational excellence through impactful CSR initiatives in collaboration with Al-Khidmat Foundation, Abroo Educational Welfare Organisation and Humaira Riaz School. These initiatives focused on enhancing teaching standards, professional development and educational quality, reflecting the region's strong commitment towards meaningful educational development and community impact.

North Region

The Educators' North Academic Team continued strengthening educational excellence through impactful CSR initiatives in collaboration with Pehli Kiran, PPWS and HARAF Foundation. These partnerships focused on enhancing teaching standards, leadership quality and professional growth, reflecting the region's strong commitment towards meaningful educational development and community impact.

HOMEBRIDGE
By Beaconhouse

THE EDUCATORS
A Project of Beaconhouse

Cambridge A-Level Within Reach

Pakistan's first Cambridge-certified live online A-Level programme, with on-campus activities, backed by Beaconhouse.

1000+ Students

234 A* & A Grades in 2026

400 Alumni at Universities Worldwide

WHY HOMEBRIDGE

Exceptional Faculty
Live, interactive classes with some of Pakistan's most accomplished A-Level teachers, the same standard behind Beaconhouse's results.

The Subjects You Want, in Your City
Choose from a wide range of subject combinations, including ones often unavailable outside major cities. Your ambitions don't have to depend on where you live.

Premium Education, Fair Fee
The full A-Level experience at PKR 20,950 a month, roughly one-third the cost of a traditional school.

Your Pathway to Top Universities
Dedicated career counselling and placement support to help you apply to leading universities in the UK, US and beyond.

Beyond the Screen
Practical lab sessions for science students, plus on-campus activities and the Duke of Edinburgh's International Award, so your A-Level comes with experiences as well as grades.
